Aqsa School is a community made up of board members, parents, students, staff and friends of the school who are dedicated to providing a comprehensive education in an Islamic environment which is well-equipped to serve the needs of students from preschool through high school, with grades six through twelve being exclusively for girls. In addition to a college preparatory program of rigorous academics, Aqsa School and its partners are committed to introducing the true message of Islam, instilling an appreciation of Islamic history and values, and cultivating pride among Muslim American youth about their heritage and their place in American society. Charitable giving, good deeds, equality among the races, and a tolerance for the religions and values of others will also be stressed in an effort to prepare students intellectually, spiritually, physically and socially to be responsible and effective members of a diverse and changing world.

The Aqsa School Board members and the administration made their top priority to seek and hire qualified educators who demonstrate a commitment to the values of Islam, and to excellence in education. The following are school-wide objectives that we continuously strive to achieve with our students:

- To teach our students the love of Islam by example and through Islamic and Quranic studies, and the practice of Islam.
- To teach our students to strive for excellence at school and in their future academic and personal lives.
- To teach social awareness and responsibility through involvement in community causes.
- To teach the concept of faith with action through the example of our staff.

The building is open from 8:00 A.M. each school day until 4:00 P.M. The school is not responsible for students who arrive before or stay later than these times.

CLOSED CAMPUS
Students are not permitted to leave the building for any reason during the school day without permission. Any student who leaves before the scheduled release time is required to have a parent/guardian officially come into the school building and sign him/her out for the day. Dismissal is based upon grade levels. ONLY elementary students are allowed to exit from the front lobby doors. All junior high and high school students must exit from the west side doors.

DROP OFF AND PICK UP POLICY
**Drop Off:** All Junior High and High School students may enter the front doors or west side doors upon arrival in the morning. Elementary students should be dropped off at the west side doors only. **Pick Up:** Dismissal is based upon grade levels. ONLY elementary students are allowed to exit from the front lobby doors. Therefore, please keep the office updated if there are any changes in home phone numbers. At times, an automated call will be used as a means of communication. Please listen to these very important messages in their entirety.
LOCKERS
Student lockers will be assigned by each homeroom teacher.

SHARING OF LOCKERS IS NOT PERMITTED; students are to only use the lockers and locks assigned to them

- Combination locks will be issued by the school. All students are to use school provided locks only.
- Students must turn in locker combination numbers to their homeroom teachers.
- Students are responsible to pay to replace any lost locks.
- Students’ belongings are to be kept in the lockers. Anything left on top of or around lockers will be discarded. The school is not responsible for any items that may be taken from a student’s locker. Students should make sure their lockers are locked at all times and not give the combination to anyone.
- Lockers are loaned to students and are the property of Aqsa School. If there is a need, lockers may be searched by school staff at any time.
- Students are allowed to go to their lockers only during approved and designated times.
- Lockers are to remain clean. Food items should not remain in the lockers. Any vandalism or abuse of lockers will result in fines and disciplinary actions.
- Students are responsible for the contents of their lockers. Students should refrain from bringing items of value to school and leaving them in their lockers.

TEXTBOOKS
Textbooks, that are not required to be purchased, are issued at the beginning of each school year. These books are on loan to the student for the school year. Each student is responsible for the custody and care of her textbooks. Students who lose, damage, or deface any textbook will be charged a fine set by the administration for the replacement value of the book. Reports cards and other needed documents will be withheld until books are returned. Some textbooks may be required to be purchased by the student. A list of books to be purchased will be provided to the student.

LUNCH ROOM
Aqsa School’s lunchroom and kitchen are open during lunch periods. Hot lunch is served daily as well as beverages and healthy snacks. A lunch menu for each month is available at the front office.

Students are not allowed to leave the lunch room without a pass previously issued by a teacher. Students should present that pass to the staff member on lunch duty. Students should return to the lunch room immediately after finishing with a staff member. Students not in the lunch room without previous permission will be given disciplinary consequences. Under no circumstances should students enter the kitchen without permission and supervision of a staff member. Students found in the kitchen without permission and supervision will receive a Saturday detention.

Students must sit with their peers in the same grade level.

DAILY ENTRY AND EXIT
Entry and exit to the building are through the lobby or West side doors only. Late entrance (after 8:20 AM) must be made through the lobby doors. After school, all junior high and high school students should wait for parents by the west door, not on the front steps. Students are not to leave the Aqsa building unless their ride has arrived. Any student still waiting for a parent for fifteen minutes after school must return to the school building, check in with the front office and wait in the front lobby for his/her ride.

- Wash and prepare for prayer during lunch time
  Students are to wear hijab throughout the class period directly preceding the prayer and through the entirety of the prayer service.
- If a student does not have a scarf with her in school, she is to go directly to the office where they will be required to purchase a new one. In the event a student does not have the $10.00 fee, it will be added to the tuition.

- Parent/teacher conferences are held at the end of the first and third quarter
- Report cards are distributed during these conferences
- Teachers are available for special conferences, and are eager to meet with parents. An appointment may be made by calling the office.

STANDARDIZED TESTING
Students in grades K-11 will participate in various forms of standardized testing throughout the school year. Data from these tests will be used to track a student’s growth, to determine class placement and to give insight into a student’s areas of strengths and weaknesses in order to better accommodate his/her needs. The following is a listing of tests given throughout the year:

- NWEA Measuring Academic Progress (MAP) – given during the Fall, Winter, and Spring grades K-11
- IOWA – given in Spring to grades K-7
- ACT Aspire – given twice per year to grades 8-10
- PSAT – given once per year to 11th graders
- ACT – available multiple times during the school year for grades 10-12 (students must sign-up for this test each time and pay the appropriate fees) Announcements will be made when registration begins for each test.

C. MID TERM AND FINAL EXAMS:
Starting from 9th grade, students in each grade are required to take a comprehensive exam covering all material taught during the semester. Midterm and final exams make up 20% of the semester grade. A schedule for exam days will be sent home with each student prior to exams.

Please note the following guidelines:
1. All students are expected to stay in the exam room for the entire 1-1/2 hours.
2. Students are permitted to arrive late or leave early on an exam day if they do not have a first or last period exam. (At no time should students be in the hall or by their lockers during any 1-1/2-hour exam period.)
3. If students have no exam during an exam period, they are to report to study hall in the multipurpose room.
4. Students must be in proper uniform and have all fines/school fees paid in order to take exams. Seniors who have earned an “A” in both third and fourth quarters in any class are exempt from the second semester exam in that class.
Keep track of your high school credits. Each full-year course you pass is worth 1 credit. (Gym, Computers and electives that meet a few times a week are worth a ½ credit):

D. TRANSFER CREDITS:
Newly enrolled students will have their transcripts evaluated by the counselor. All accepted transcript credits will count towards graduation requirements. However, such credits will not contribute to the final grade point average of the student. Any courses taken by AQSA students in other institutions must be approved in writing prior to enrollment in these courses. A maximum of two credits are allowed per year and such credits do not contribute to the grade point average.

E. DROP/ADD POLICY:
Aqsa School discourages students from dropping courses or transferring between classes and levels. However, the administration will approve the drop of a course or the transfer to other classes in special circumstances. The student will have to fill-out an “Intent to drop a class” form and submit it to the office. The administration’s decision in these matters is final. The deadline for any changes in a student’s schedule is the last day of the third week of the semester. After the deadline, students may not add or drop courses unless required by the administration due to inadequate performance in higher level courses.

ADVANCED PLACEMENT COURSES: Students in AP courses have until the end of 1st quarter of the semester to decide whether to drop the course. At the end of the semester student performance will be evaluated to determine if a student is still eligible to continue in the AP course for the 2nd semester.

EARLY TESTING GUIDELINES: Junior high and high school students must take their semester exams during the scheduled time. Under special circumstances students may be allowed to take exams early, but must not exceed one week prior to the end of the school year. In such cases, the student is responsible to study all material to be covered on her own. Also a fee will be assessed per exam, All full-time high school courses will be charged $60.00 each. All full-time junior high courses will be charged $40.00 each.
F. COLLEGE PREPARATORY COURSES:
College preparatory courses allow students to develop skills, concentrate on acquisition and application of new knowledge, and prepare for potential further study in honors courses and ultimately college level work. Students at grade level and performing well will be placed in college preparatory courses.

G. HONORS COURSES:
Honors courses demand high levels of cognitive and problem solving processes and independent work. This course is taught at an accelerated pace with more in-depth detail and analysis. Honors courses prepare students for college work and future study in advanced placement courses. Honors courses are offered to students with an A or B letter grade in a prerequisite course and based on teacher recommendations and standardized test scores.

H. ADVANCED PLACEMENT COURSES:
Advanced placement courses are rigorous courses with high expectations. Students will work independently and demonstrate high levels of critical and analytical thinking, reading, and writing. This course will prepare students to take the Advanced Placement Exam which may result in college credit and/or placement. Selection of Advanced Placement courses will be based on teacher recommendation, current achievement level, standardized test scores, and receiving an A or B in prerequisite courses. AP courses will be commonly offered in the junior and senior year. Students taking an AP course are expected to take the AP exam and attend all review sessions.

I. HONOR ROLL:
High School students who have earned a GPA of 3.76 or higher in any given quarter will be awarded “A” Honor Roll status and those who have earned a GPA between 3.25 and 3.75 in any quarter have earned “B” Honor Roll status. Junior High students with a 3.51 or higher will be awarded “A” honor roll status and those with 3.0-3.5 will be awarded “B” honor roll status.

J. National Honor Society and National Junior Honor Society (NHS/NJHS)
To be considered for the NHS or NJHS students must first meet a grade point average requirement. After that requirement has been met, students will be evaluated based on their character, service and leadership. In order to be considered for this prestigious society, students must have attended Aqsa School for a full year. Transfer students who were previously on NHS or NJHS must bring official documentation so that their membership may continue at Aqsa School. Any student with a desire to be a part of NHS/NJHS should focus on obtaining the necessary GPA requirement and seek out opportunities that develop character, service and leadership. These opportunities are available both in and out of Aqsa School. Please see the NHS/NJHS advisor for further details on meeting the requirements. Once a student has been admitted to NHS or NJHS, she must maintain all requirements set forth to maintain membership. Any student who neglects to meet these requirements will be put on probation and may face dismissal from NHS or NJHS.
K. CLASS RANK and GRADE WEIGHTING:
Aqsa School does not provide class rank on its report cards or transcripts. Class rank will be used for the purpose of determining valedictorian and salutatorian. Class rank is determined by calculating the cumulative grade point average (GPA), which is an average of a student’s performance in all completed coursework.

Honors & Advanced Placement Courses: A+=5.3, A=5.0, A-=4.7, B+=4.3, B=4.0, B-=3.7, C+=3.3, C=3.0, C-=2.7, D+=2.3, D=2.0, D-=1.7, F=0

College Preparatory Courses: A+=4.3, A=4.0, A-=3.7, B+=3.3, B=3.0, B-=2.7, C+=2.3, C=2.0, C-=1.7, D+=1.3, D=1.0, D-=.7, F=0

M. WEIGHTED GRADES
All high school honors or advanced placement courses will be given weighted grades. A 1.25 multiplier will be added to the grade accordingly. These additional points are reflected in the calculation of the student’s grade point average.

High school student’s semester grades are calculated by taking the first quarter grade (worth 40%) combined with second quarter grade (worth 40%) along with the semester exam grade (worth 20%). All of the individual quarter and exam grades will appear on the quarterly report cards. However, the final semester grade calculated will be the only grade that appears on the student’s official transcript.
N. SEMESTER GRADES

All junior high students’ semester grades are calculated by taking the first quarter grade (equal to 50%) plus the second quarter grade (equal to 50%). Although the end of the unit test grade (semester exam for junior high) will appear on the report card individually, its worth will be calculated into the second quarter grade.

High school students’ semester grades are calculated by taking the first quarter grade (worth 40%) combined with second quarter grade (worth 40%) along with the semester exam grade (worth 20%). All of the individual quarter and exam grades will appear on the quarterly report cards. However, the final semester grade calculated will be the only grade that appears on the student’s official transcript.

O. GRADE POINT AVERAGE and RANK

Each semester, all student grades are recorded and these grades are used to calculate a student’s overall grade point average (GPA). A student’s rank within the class (only used for determining valedictorian and salutatorian) is based on her cumulative GPA.

8th grade students will have their ranks determined by their cumulative GPA for 7th and 8th grades at Aqsa School. Valedictorian and salutatorian distinction will be given to these students ranked first and second in the class, respectively. Students must have attended Aqsa School for both 7th and 8th grade to be eligible for either valedictorian or salutatorian.

12th grade students will have their ranks (to be used only for determining valedictorian and salutatorian) determined by their cumulative GPA for 9th—12th grades. Valedictorian and salutatorian distinction will be given to these students ranked first and second in the class, respectively. Valedictorian and salutatorian must have taken honors and/or AP courses to be considered for these honors and have attended Aqsa for at least two high school years. In the event of a tie, the student with the most AP classes, then Honors classes, will be chosen.

P. COUNSELING

A school counselor is available to all students who are in need of academic, social, or emotional guidance. The counselor is available to help students reach their full potential. If there is a barrier that is preventing a student from doing so, the counselor will link him/her with the necessary resources and supports. Students may be referred to the counselor by a teacher, parent, peer, or a student may seek services on his/her own.

At Aqsa, the well-being of every child is our priority. Therefore, in the event that a student is in need of long-term social-emotional therapy, the counselor may refer the student to a local agency or therapist. With the welfare, safety, and health of our students in mind, we may request consent for medical or social-emotional therapy releases of information. This information may be necessary to better serve and accommodate our students. All information received remains confidential and will only be used to serve the student. Students wishing to see the counselor must make an appointment prior to going to the counselor’s office. In the event that a student needs to see the counselor on a more immediate basis, permission must be given from the teacher whose class the teacher will be leaving or the administration. The counselor must notify the teacher with a formal pass and any work missed during the visit is the responsibility of the student to obtain from the teacher before of the end of the day and have it turned in on its original due date. In the event that the counselor is not available at that time, the student must return back to class immediately.
Q. EARLY GRADUATION

While Aqsa School discourages a student from graduating early, we do not prohibit it. However, making an application to graduate early is not a guaranteed approval. Due to the additional responsibilities required to meet all graduation requirements, there are specific criteria a student must meet before being considered and accepted as an early graduation candidate.

- Student must declare in her freshman year her desire to graduate early and provide a written request explaining why she wants to graduate early to the Administration.
- Student’s parents must write a letter indicating that they support their daughter’s decision to apply for early graduation and provide it to the Administration.
- Student must have and maintain a GPA of at least 3.75 until the time of early graduation.
- Student must complete all required coursework and provide proof to the Administration. The Administration must approve all courses taken at other institutions before that credit will be accepted towards the early graduation.
- Student must meet regularly with the Administration to set up a schedule of courses to be completed and monitor progress.
- Student must be able to handle the condensed work load, show a sense of maturity, have good attendance, few tardies, and satisfactory behavior.
- Students transferring into Aqsa School after their freshman year will not be allowed to graduate early.
ATTENDANCE and TARDIES

ABSENCES: Regular attendance is expected every day. However, there are times in which students may be absent from school. Absences are classified as excused or unexcused.

EXCUSED ABSENCES: The following reasons will be considered excused absences:
- Family Emergencies
- Death in the family
- Authorized school activities
- Doctors/Dental appointments (should not consist of an entire day absence)
- ALL EXCUSED ABSENCES REQUIRE A NOTE from a physician, or teacher due the day the student returns to school. If a note is not received the day after the absence, the absence will be considered unexcused.

SCHEDULED MEDICAL VISITS: For any prescheduled appointment, students are to submit a note from a parent one day in advance. If a note is not received the day after the absence, the absence will be considered unexcused. Please make every effort to schedule appointments after school or on days when school is not in session to avoid your child missing important classroom information.

UNEXCUSED ABSENCES: All absences that do not fall under the excused absence category will be considered unexcused. Following the third unexcused absence, parents will receive notification of the severe consequences that excessive absences incur.

MORE THAN TEN UNEXCUSED ABSENCES in any given semester will result in the student being penalized by having a grade reduction. For every 10 absences a student’s grade is reduced by one letter grade.

5 ACCRUED ABSENCES: Once a student has accrued five absences in a semester, the student’s parents must come in for a conference to discuss their child’s absences.

TARDY 5-10 MINUTES: If a student is tardy between 5-10 minutes to class, a Saturday detention will be given to the student.

TARDY ABOVE 10 MINUTES: If a student is tardy to any class other than first period (where the student is not physically present at school) it will be considered ditching a class and an in-school suspension will be given to the student.

TARDY BEYOND 20 MINUTES: If a student is more than 20 minutes tardy for his/her first period class, it will be considered an unexcused absence.

6 ACCRUED TARDIES: Once a student has accrued six tardies in a semester, the student’s parents must come in for a conference to discuss their child’s tardiness.

Students will be given participation points in each class every day. Students arriving late to class will lose those points, which will in turn affect their grades.

TRUANCY: Absences from school without valid cause are considered truancy. Students who are truant will immediately necessitate an administration and parent conference. The school will also establish an individualized student plan and provide counseling services in order to improve the situation. However, if the truancy continues, Aqsa School will notify the Bridgeview Police Department Truancy office and follow through on all necessary police recommendations or state laws.
TARDIES: A student is tardy if he/she is not in the classroom by the time the second bell rings.

If a student is tardy three times to a class, she must attend an after school work period with that teacher on the teacher’s designated office hour’s day. The student will receive and complete work relevant to that class. Students that exceed three tardies during a quarter will be referred to the Dean of Students. Excessive tardies will result in detentions, suspensions, loss of privileges, and/or a decrease in the letter grade for that specific class(es) in which the tardies have occurred.

If a student is tardy to his/her first period class, he/she must report to the office for a tardy slip before entering the first period class.

*Students who are absent from school the entire day are not allowed to participate in any practices, competitions or school sponsored activities held after school or during the evening of the day. Students must attend at least half day (4 periods) in order to participate in any practices, competitions or school sponsored activities held after school or during the evening. As the lunch period is not included in these four periods, students must be in school for periods 4-8.
