Aqsa School STEM Summer Camp 2017

Daily Schedule

Campers will receive their kits on the day of the specific activities. They will bring home all their finished products. The schedule for the camp will run as follows:

Day 1: Crazy Chemistry

- engage in colorful chemical reactions

Day 2: Liquid Magic

- discover properties of liquids through these activities.
- learn about polymers and viscosity
- use technology to measure acidity

Day 3: It's Robotic

- construct simple robots while exploring concepts of mechanism and electricity.
